

Letter of Recommendation

To Whom It May Concern,

I am writing to recommend Connor Walsh and his company American Commercial Glass for additional construction services with future prospective clients.

I have had the pleasure of working directly with Mr. Walsh on a number of projects in the past and most recently at the Eau Palm Beach Resort and Spa. The scope of work for this project involves the reconstruction and replacement of the high Impact windows and doors at the Eau Palm Beach Resort and Spa.

American Commercial Glass scope of work involves miscellaneous metals, glass, carpentry and general labor. American Commercial Glass has illustrated their attention to detail, quality and safety on a number of occasions. It is the policy of this company to strive for the highest safety standards. Working safely requires a serious commitment by everyone within the organization including our subcontractors. Mr. Walsh has met and exceeded our safety program.

Scheduling within the construction industry is typically an art form in itself and Mr. Walsh has been able to effectively meet project schedule requirements. He and his crew have been able to quickly adapt to schedule changes from other subcontractors in order to keep his schedule on time and aligned with the overall project schedule. In addition, American Commercial Glass has been exceptionally accommodating when dealing with unforeseen conditions and potential change orders.

Please consider American Commercial Glass for your construction service needs. I recommend them and look forward to working with them again.

Sincerely,

RD Britton, SPM
