08 PAST PERFORMANCE

ACG has no completed federal work. Completed past performance is state, municipal and private commercial, a significant part of it on Florida Building Code Risk Category IV essential facilities, which carry the increased wind loads, enhanced anchorage documentation and inspection discipline closest to federal facility requirements.

FACILITY	OWNER / BUILDER	SCOPE
Haines City public safety complex and EOC Haines City, FL	City of Haines City; GC Pirtle Construction; 25,443 SF; completed 2025	Impact-rated storefront and window openings, interior glazing, Aldora glass. Risk Category IV essential facility.
Monroe County Fire Rescue Station 11 Cudjoe Key, FL	Monroe County Fire Rescue	Impact-rated openings in the highest design wind zone in the continental United States
Fire Station 19 Fort Pierce, FL	GC Remnant Construction	Storefront glazing package
Fire Station 61 Pompano Beach, FL	GC West Construction	Storefront glazing package

09 HOW ACG BIDS AND DOCUMENTS SCOPE

- 48-hour bid turnaround on a documented scope. If the set is incomplete we say what is missing the same day.	- Delegated blast and structural glazing engineering is carried as a separate identified line or excluded. Never buried in a lump sum and discovered at submittal.	- Weekly certified payroll produced to the applicable Davis-Bacon wage determination on covered work.
- Inclusions and exclusions in writing on the face of the bid. Delegated engineering, badging and base access fees, and special inspections are named, not implied.	- One authoritative proposal. Any change is reissued as a corrected proposal that supersedes the prior one in writing.	- Signed SF-1413 returned inside the prime's 14-day post-award window.
	- Owner-answered. The president takes the call.	- Domestic sourcing priced to the requirement written in the specification. Which system lines can meet it is identified before bid, not at submittal.

04 COMPANY DATA

LEGAL ENTITY	American Commercial Glass, Inc.
STRUCTURE	Florida corporation, founded 2021
HEADQUARTERS	700 S Rosemary Ave Suite 204, West Palm Beach, FL 33401
