DIFFERENTIATORS

Why GCs select ACG.

Pre-Glazed Storefront Capability

ESWindows partnership delivers factory pre-glazed storefront — glass installed in the frame at the plant. Faster install, cleaner weathering-in, fewer field variables.

AI-Managed Operations

Documented operating system across estimating, submittals, procurement, scheduling, and closeout. Every VIP GC interaction is tracked and owner-monitored.

Three Florida Offices

West Palm Beach headquarters, Naples office serving Southwest Florida, and Tampa office supporting Central Florida. Regional coverage without regional overhead.

Owner-Level Decision Making

Every project has an owner-level decision-maker one phone call away. No pass-the-buck on change orders or scheduling conflicts. Connor or Rielly Walsh reachable directly.

PAST PERFORMANCE

Active VIP GC relationships.

ACG maintains VIP subcontractor relationships with the most demanding general contractors working in Florida. Full project references and Procore data available on request.
